SHELVING WITH DRAWERS

IDEAL FOR COMBINED STORAGE

Lyon combines 2000 series beaded shelving and modular drawers to create the perfect storage solution for both small parts as well as bulkier items.

Pre-configured units are 85”h and available in either 18” or 24” depths. Easily combine starter and add-on units to create a long run of shelving. Shelves can be added or removed to maximize your storage space.

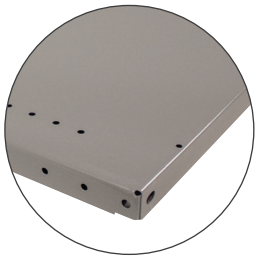

2000 SERIES SHELVING

The beaded posts in the front of the unit offer clear shelf access. The 24-gauge closed backs and sides of the shelving unit helps to better contain items within a set space.

Our steel box shelves have lapped and welded corners and attach to the uprights with a true compression clip. Each shelf features a load capacity of 550 lbs and are adjustable on 1/2” centers. Shelving is available in Dove Gray

MODULAR DRAWERS

All drawers have a capacity of 400 lbs and fully extend for complete visual and physical access. The drawers easily install into drawer brackets that attach to the shelving posts. Suspension glide rails lock into the brackets, then the drawers slide into place.

Pre-configured units include a 9-compartment layout kit in each drawer to help organize even the smallest of items. Drawers and brackets are available in 6 premier colors.

Drawers w/ Kits

SHELVING WITH DRAWERS

Lyon drawers in shelving units use closed 2000 series beaded shelving. The 22-gauge shelves have a weight capacity of 550 lbs each and are adjustable on 1-1/2" centers. Each drawer includes Layout Kit C with 9 compartments. Drawers have a weight capacity of 400 lbs each. All units are 36"w x 85"h. Shelving and drawer units ship unassembled.

Order one starter unit and one or more add-ons to make up a row of shelving. Note: Drawers must be installed between two shelves set at a fixed position.

Unit	Includes	Depth	Starter	Add-on
	**3 Drawer Unit** 5 Shelves 22-Segment Bracket (18"h) Drawer Sizes: 06 | 08 | 08	18"	J115045	J115045A
